Ladies and gentlemen I'd love to introduce myself to  
you

And If you meet me on the street  
Then be aware of what I'll do  
The face outside called me and says  
I won't go away, I won't go away  
He found a place to hide he said  
I won't go away, I won't go away

But then you see it calling  
when it's an early morning  
You're best friend waits ?for who you wanna be?  
You're face s quite familiar you look just like a ?  
crowded sinner?

Lock up ya Daughters and throw away the key  
Cos ya might aswell be dead  
Cos you're living, inside of my head  
Woo

Ladies and gentlemen I must admit it's great to have  
you round

You are much prettier than any girl I know from London  
town

The face outside called me and says: I won't go away, I  
won't go away  
He found a place to hide he said I won't go away, I  
won't go away

But then you see it calling  
when it's an early morning  
You're best friend waits ?for who you wanna be?  
You're face is quite familiar you look just like a ?  
crowded sinner?

Lock up ya Daughters and throw away the key  
Well ya might aswell be dead  
Cos you're living, inside of my head  
Woo

Well ya might aswell be dead  
Cos you're living, inside of my head
