(Graves)

1ST VERSE

(vocal:J.D.Shadowz)

Come to me your time is near...

You're living your last day...

Beg me crawling in your fear...

I enjoy it more that way...

CHORUS:

Beg me, beg me, beg me,

I am The Executioner...

2ND VERSE:

Remember now just what you said...

You'll never die this way...

Your rotting corpse will have no head...

When you lie in your grave...

REPEAT CHORUS:

(lead solo:Rob Graves)

3RD VERSE:

And so my metal blade does fall...

Your blood runs down my thigh...

Its when you know you're safe from death...

That you will surely die...

REPEAT CHORUS:

(scream:Rob Graves)
