Little boxes on the hillside  
Little boxes made of ticky tacky  
Little boxes on the hillside  
Little boxes all the same

There's a green one and a pink one  
And a blue one and a yellow one  
They're all made out of ticky tacky  
And they all look just the same

And the people in houses  
All went to the university  
Where they were put in boxes  
And they came out all the same

There's doctors and lawyers  
And business executives  
They're all made out of ticky tacky  
And they all look just the same

And they all play on the golf course  
And drink their martini dry  
They all have pretty children  
And the children go to school

And the children go to summer camp  
And then to the university  
They all get put in boxes  
They all come out the same

The boys go into business  
And marry and raise a family  
They all get put in boxes  
Little boxes all the same

A green one a pink one  
A blue one and a yellow one  
They're all made out of ticky tacky  
And they all look just the same
