Break through the undertow  
Your hands I can't seem to find  
Pollution burns my tongue  
Cough words I can't speak so I  
Stop my struggling  
Then I float to the surface  
Fill my lungs with air  
Then let it out

I give it all  
This is the reason why I sing  
So give it all  
Cause it's these reasons that belong to me

Rock bottom's where we live  
And still we dig these trenches  
To bury ourselves in them  
Backs breaking under tension  
For far too long these voices  
Muffled by distances  
It's time to come to our senses  
Up from the dirt

We give it all  
This is the reason why I sing  
So give it all  
Well it's these reasons that belong to me

Breathe (breathe) the air we give (give)  
The life we live (live)  
Our pulses racing distances (breathe)  
So wet my tongue (give)  
Break into song (live)  
Through seas of competition  
So please believe your eyes  
A sacrifice is not what we had in our minds  
I'm coming home tonight  
Home tonight

We give it all  
This is the reason why I sing  
So give it all

And it's these reasons that belong to me  
Today I offer up myself to this  
I'm living for my dying wish

I give it all  
Now there's a reason  
There's a reason  
To give it all
