We are the children you reject and disregard
These aching cries come from the bottom of our hearts
You can't disown us now, we are your own flesh and
blood
We don't disappear just because your eyes are shut,

Up
To how you let us down

As your castles crumble slowly
We watch them fall
The crown slips from heads unworthy

As we take control

When I've served my time I swear I will come for you

As your castles crumble slowly
We watch them fall
The crown slips from heads unworthy
Right on to ours, but I'm after you?
