One last thing I beg you please, just before you go
I've watched you fly on paper wings half way round the
world
Until they burned up in the atmosphere and sent you
spiraling down
Landing somewhere far from here with no one else
around
To catch you falling down
And I'm looking at you now

And I can't tell if you're laughing
Between each smile there's a tear in your eye
There's a train leaving town in an hour
It's not waiting for you and neither am I

Swing for the fences son, he must have told you once
That was a conversation you took nothing from
salvation
Raise your glass now and celebrate exactly what you've
done
Just put off another day of knowing where you're from
You can catch up with yourself
If you run

And I can't tell if you're laughing
Between each smile there's a tear in your eye
There's a train leaving town in an hour
Its not waiting for you and neither am I

Is this the life that you lead?
Or the life that's led for you?
Will you take the road that's been laid out before you
Will we cross paths somewhere else tonight?
Somewhere else tonight...

And I can't tell if you're laughing
Between each smile there's a tear in your eye
There's a train leaving town in an hour
It's not waiting for you and neither am I

And I can't tell if you're laughing
Between each smile there's a tear in your eye

There's a train leaving town in an hour
Its not waiting for you and neither am I
