"Ball And Chain"

Your like fire and ice
oh you love me so good
but you don't think twice about leaving me here
I get use to you gone
then you tell me you care
and I got to find a way to get you
to commit to me
oh can't you see

chorus

like a ball and chain around my neck
you weigh me down but I'm not ready yet
to give you up and face the pain
I'd rather wear a ball and chain

I've never been touched this way
and I give you my all but I want you to say you need
more than my time
oh you say you'll be here
but your still not mine
and I want you give your love oh to only me
oh can't you see

chorus

oh they say that all good things will come to those who
wait
but the more I wait the more I wonder
am I holding a love going nowhere

chorus

chorus repeat

rather wear a ball and chain
