How many times have I started down this road that I'm
still on
I think that it's all going fine and then I find it gone
How many times I just don't know

I remembered when I courted you so many years ago
I said I'll always love you and I'll never let you go
How many times I just don't know

=CHORUS=

How many times have I seen you go walking out that
door
With crying eyes you'll tell me you not coming back no
more
Then you turn around and tell me that you just can't
seem to go
How many times I just don't know

=CHORUS=

Well I guess I finally realized the way that I went wrong
Buried things down deep inside that couldn't stay there
long
How many times I just don't know

=CHORUS=

How many times have I seen you go walking out that
door
With crying eyes you'll tell me you not coming back no
more
Then you turn around and tell me that you just can't
seem to go
How many time I just don't know

=CHORUS=

How many times I just don't know
