### "I Dreamed Of An Old Love Affair"

Just like old times you were here last night  
And gone were my sorrows and cares  
Just like old times you were gone and I  
Had a dream of an old love affair

I was alone in the darkness my dear  
Many dreams ago you left me there  
Sunlight told me you were gone and I  
Had a dream of an old love affair

Life's been so empty since you've been gone  
I love you with all of my heart  
Heaven was mine when you smiled last night  
And said we could make a new start
