Who do you think you're talking to
You know me I know you
Your silence and your stony face
You don't have a breath to waste
Your love is gone 'cause it all comes down to you

What can we say when all is said?
A house divided cannot stand.
Your head and heart and chary gaze,
Life is just too short to waste.
Your love is gone, 'cause it all comes down to you

I've paid for you and you don't seem to mind.
I'm bending over backwards; you're not satisfied.
What more can I offer, to lay upon the altar?
Love is gone, 'cause it all comes down to you.

What can we do when all is done?
Your life's not the only one.
Just take a look beyond yourself,
The reason of your private hell:
Your love is gone, 'cause it all comes down to you.

I've paid for you and you don't seem to mind.
I'm bending over backwards; you're not satisfied.
What more can I offer, to lay upon the altar?
Love is gone, 'cause it all comes down to you.
