I just had to call you babe I got your letter and I
understood almost every line
You said TLC is what you miss from me, you want back
in my arms PDQ
Ooh I love this game them three letters by your name
LOA what does that say?

She said oh baby it's so simple, did not mean to make
it hard to understand
I've been gone so long I want you to know I miss my
man oh yes I do
And that message for you tells you what I'm gonna do
when I get home oh yeah

LOA (love on arrival) for you (love on arrival) LOA is
what I'm gonna give to you
I've been counting the days I've been lonely I've been
blue
(Love on arrival) for you (love on arrival)
And now after all this time I got nothing on my mind but
LOA (love on arrival) for you

I said oh baby I do love you and I'm always amazed the
way you be too
And I TGIF thank god I found you when I did yes I do
Them three letters by your name I'll just give you just
the same

When you get home oh yes I will

LOA (love on arrival) for you (love on arrival) LOA is
what I'm gonna give to you

I've been counting the days I've been lonely I've been
blue
(Love on arrival) for you (love on arrival)
And now after all this time I got nothing on my mind but
LOA (love on arrival) for you

I don't need no confirmation I got it right here in my
hand
I don't need no more translation you done spelled it out

in words that I can understand

LOA oh, oh, oh, oh, oh LOA

LOA (love on arrival) for you (love on arrival) LOA is
what I'm gonna give to you

I've been counting the days I've been lonely I've been
blue

(Love on arrival) for you (love on arrival)

And now after all this time I got nothing on my mind but

LOA (love on arrival) for you

And now after all this time I got nothing on my mind but

LOA (love on arrival) for you
