Don't forget me little darling while I'm growing old and
gray
Just a little thought before I'm going far away

Cause I'll be waiting on the hillside for the day you will
call
On the sunny side of the mountain where the rippling
waters fall

Now darling, tell me in your letters do you ever think of
me
Ah, tell me... little darling tell me where you can be

Don't forget about the days we courted many years
ago
Don't forget all those promises you gave me and so

It's been so long since I've seen you but your love still
lingers on
Don't forget me little darling though our love affair
gone
