There's a man who lives to be faithful and true
He stands in love's purest arc
Take his hand as you walk through the joy and the pain
The one who is loved will be lost to you

I know life gets harder the farther we go
Cause our hopes and dreams tend to fade
In the light of hope from a far away land
The voice who is loved softly calls to me

=CHORUS=

I'll be with you when all others turn away
I'll be with you though the heart seems to say
Sorrow breaks me and I can't see the light of day
And I'll be the one you lean on

When sorrow breaks you and you can't see the light of
day
Then I'll be the one you lean on
