Dear who's listening to  
I write these lines to send to you  
Ain't no fairytale  
From purgatory comes a mail  
Dear unbeliever  
I testify to you receiver  
No more horizon  
Where silver waters flow  
And winds of velvet blow

Dear wasted years  
Journey's at an end  
Destination: Judgement Day  
To where I went and cast away  
No I haven't met  
Though I wish I had  
Long forgotten heroes  
Of a faded unique century  
I'm a hellbound soldier  
Letter from beyond

Here I do confess  
I went to far to certain death  
Ain't no guarantee  
I pay to you don't follow me  
Shine, shine your light on  
Blazing fire, violet haze  
No more horizon  
Where silver waters flow  
And winds of velvet blow

Dear wasted days  
Always on my mind  
Absolution on it's way  
Promised but not yet replied  
I'm a hellbound soldier  
Letter from beyond

Kingdom come  
Without return  
Why me of all  
All this is

Far beyond imagination  
Much too far to see  
Father it is your creation  
Much too hard to be  
Far out but got one illusion  
This is what I want  
Father read this testimony  
Letter from beyond

Dear who's left behind  
Nothing good out here to find  
I broke a chain  
Bound around a life in pain  
Dear who's next to come  
Await a cosmic vacuum, with  
No more horizon  
Right behind the border

Kingdom come  
Without return  
Why me of all  
All this is

Far beyond imagination  
Much too far to see  
Father it is your creation  
Much too hard to be  
Far out but got one illusion  
This is what I want  
Father read this testimony  
Letter from beyond
