Strange but the men  
Who made the maze were blind  
In vain we seek the way out now  
They thought it all  
Out many years ago  
Nobody noticed the crack of doom

They ravaged mother Earth  
To satisfy their greed  
They forgot the future  
And destroyed the seed

All those great dreams  
By which we long live well  
Are just illusions in the smoke of hell

What's conceivable  
Should happen too  
We got the power  
We got the rule

Call it Insania  
Tragedy reduced to numbers  
Megalomania  
Let the ocean freeze  
Call it Insania  
Stopped rotation of the Earth  
Megalomania  
All movements ends
