(Ronan Keating)

Turn Down the light, Turn up the radio.
There's a fire in your eyes, and its keeping me warm
Hold on to me like it was yesterday,
When we both felt our spirits collide

(Rita Comisi)

Mi ricordo quel giorno
sin dal primo istante
quando vide il tuo sguardo, il tuo viso e sorriso
camminavi con me
sulla linea che univa emozioni
che c'erano in noi...

This time, can be like the first time
Close your eyes and soon you'll be there
No man could ever guess what you're feeling
Turn a spark to a flame,
Make a wish, close your eyes, won't you start all over
again.

(Ronan Keating)

Just like the first time you touched my skin,
All over again
I tasted heaven take be deaf again,
All over again

Your smile
Your touch,
Your taste,
It turns me on and on and on,
That I fall in love with you,
All over again

(Rita Comisi)

E i frammenti di stelle
che viaggiando nell'universo
lascieranno una scia
finch? saranno l?...

(Ronan Keating)

What I'm trying to say,

Is that you are so beautiful
Let me say it, all over again.

Coz this time can be like the first time,
Close your eyes, but you'll soon will be there
No man could ever guess what he's feeling,

Turn a spark to a flame,
Make a wish, close your eyes, won't you start all over
again.

Just like the first time you touched my skin,
All over again
I tasted heaven take me there again,
All over again

Your smile,
Your touch,
Your taste,
It turns me on and on and on.
That I fall in love with you,
I keep falling in love, with you.
All over again

All over again
All over again
