(Ronan Keating)

Turn down the lights, turn up the radio.  
There's a fire in your eyes an' it's keepin' me warm.  
Hold on to me like it was yesterday,  
When we both felt our spirits collide.

(Rita Guerra)

Ainda lembro o momento  
Em que o sol brilhou em ti  
No segundo em que vi  
No teu rosto um sorriso  
Vem deitar-te aqui  
Ocupa o espaço que a entre nos  
Sente a magia de nao estarmos sos

(RG/RK)

This time can be like the first time:  
Close your eyes an' soon we'll be there.  
An' no mind could ever guess what we're feelin'.  
Turn a spark to a flame; make a wish;  
Close your eyes, watch it start all over again.  
Just like the first time that you touched my skin.  
(All over again.)  
I tasted Heaven, take me there again.(All over  
again.)  
Your smile, your touch, your taste,  
It turns me on and on and on:  
Then I fall in love with you all over again.

(RG)

Juntos podemos voar  
No universo em que vivemos  
E enquanto estamos aqui  
Aproveitar o que temos

(RK)

What I'm trying to say,  
Is that you are so beautiful  
Let me say it all over again.

(RG/RK)

Coz this time can be like the first time,

Close your eyes, but you'll soon will be there  
No man could ever guess what he's feeling,  
Turn a spark to a flame,  
Make a wish, close your eyes, won't you start all over  
again.  
Just like the first time you touched my skin,  
All over again  
I tasted heaven take me there again,  
All over again

Your smile,  
Your touch,  
Your taste,  
It turns me on and on and on.  
That I fall in love with you,  
I keep falling in love, with you.  
All over again

All over again  
All over again.
