Don't know  
If I'm bumming out  
Or if life is just a merry-go-round

Don't know  
If I'll make my own bread  
Or if I'm gonna have to beg

I'm just laying on mother nature's lap  
Can't you see she's taking care of my head

Life is crazy  
I'm so lazy can't get out of my bed  
Mother sheeters me when I'm mad

Mo, Mo...Mother Nature...

But I don't know  
If I'm bumming out  
Or if life is just a merry-go-round

Don't know  
If I'll make my own bread  
Or if I'm gonna have to beg

I'm just laying on...
