I created light,  
the earth and the sea  
But who is that fragile creature  
That dares to challenge me?

This paradise I made  
was perfect by all means  
All beings in my hands  
No one dared to intervene

I, the sovereign authority  
One bite of an apple enough  
to set all spirits free  
My Godly wrath upon Thee

Might is yours  
with a body like a sculpture  
The power to recreate  
Is a part of your nature

Eva  
Out of my paradise I will send Thee:  
Eva  
To mankind I will grant misanthropy:  
Eva  
Out of my paradise I will send Thee:  
Eva  
The disability to live eternally:  
(Eva)

Passion arose the same moment as Thee  
And thou became Godly  
far too close to me  
Passion arose the same moment as Thee  
Filled with rage I am  
burning of envy

Eva  
Out of my paradise I will send Thee:  
Eva  
To mankind I will grant misanthropy:  
Eva

Out of my paradise I will send Thee:  
Eva  
The disability to live eternally:  
(Eva)
