As in Homer's Iliad
causing Paris' spleen
The fall of mighty Troy
caused by ingenious scheme
Approaching people applying
a similar strategy
The notorious Trojan Horse
must have inspired Thee

Thy performances,
worth a theatre play
A life based on intrigue,
so it is day by day
A friend like Thee
prefer a worst foe
Here and now this ends,
this I do avow

Sein ist das Haus des Schmerzes
Sein ist das Haus des Hasses
Wilkommen im Haus des Schmerzes
Wilkommen im Haus des Hasses

For even the lonely jackal must drink
But by thirst Thou shall pine away
Even the vampire seeks shelter
But eventually burns
by the light of day

Loyalty, comradery, sincerity
Words non existing in Thy book
Your Trojan Horse shall burn
Regardless how thick its wood

A friend like Thee
prefer a worst foe
Here and now this ends,
this I do avow
A friend like Thee
prefer a worst foe
Here and now this ends,
this I do avow
