I tried every man
But I'm stupid anyway
I got every man
And I'm stupid anyway
I tried them night and day
Even I got money
I say
I tried every man
But I'm stupid anyway
I tried, I tried them night and day
But I'm stupid anyway
Perhaps I'm too lazy
Perhaps I'm too lazy
I tried every man

But I'm stupid anyway
I got every man
And I'm stupid anyway
I tried them night and day
Even I got money
I say
I tried every man
But I'm stupid anyway
I tried, I tried them night and day
But I'm stupid anyway
Perhaps I'm too lazy
Perhaps I'm too lazy
The laziest girl in town...
