You got them bruises placed upon your legs  
You got them scratchmarks [around there on the edge]  
I know your story  
It won't be up straight  
Cuz when I'm not there  
I know you can't wait

This ain't the first time  
I caught you out again  
You spend your time  
With something dirty now  
In a cubicle

You got that lipstick smeared around your face  
You got them skinny boys staying at your place  
I know your story  
It won't be up straight  
Cuz when I'm not there  
I know you can't wait

Yeah yeah yeah

You get your get your get your love

This ain't the first time  
I caught you out again  
You spend all your time in a little cubicle  
In a cubicle

I got that lipstick smeared around my face  
I got them skinny girls playin' at my place  
I'll give you stories  
They won't be up straight  
Cuz when you're not there  
You know I can't wait

Yeah yeah yeah

This ain't the first time  
I caught you out again  
You spend your time (uh)

In a little cubicle  
In a cubicle

All my time  
All your time (2x)

All your time  
In a cubicle
