Hey Tom

Do you know for how long I've been running to?

It's time to go home

To rise the sun, to bring the truth

You want to make me cry

You want to watch me die

But you don't have the strength

So come on, run with me

I wanna set you free

I need you to be strong

Somebody ask your name

It could be Jack or Jane

If you don't have the clue

I'll tell you what to do

Hey Tom

Do you know for how long am I loving you?

It's time to move on

To give my heart to something new

I want to make you smile

I want to close your eyes

But I don't have the strength

So come on, run with me

I wanna set you free

I need you to...

Tom and Jack and Jane in love

They haven't enough in time to break

Jane and Jack and Tom will back

You hope you're strong to forget

Jack and Tom I'll make you strong

Tom and Jane where is your strength

Leave me, feed me, love me, want me

Take me to another place

Somebody ask your name

It could be Jack or Jane

If you don't have the clue

I'll tell you what to do

Somebody ask your name

It could be Jack or Jane
If you don't have the clue
I'll tell you what to do
