"Minimal Sounds"

Bicycles, hats
Pianos and cats
Blue is my pillow
Red is my bed

Umbrellas, cakes
Planets and milkshakes
Pink is my heart
White is my flight

Minimal sounds
Incredible view
I've got a treasure
Shelter with you

Minimal sounds
Make me see
Dreams in my house
Happiness in me

Seems dreams
Parachutes and grape skins
Ground space
Yellow smiles in white whales

Zeppelins shapes
Sofas and strange grapes
Blue sky, empty space
Butterflies kissing your face

Minimal sounds
Incredible view
I've got a treasure
Shelter with you

Minimal sounds
Make me see
Dreams in my house
