Who's gonna watch me die  
Who's gonna be by my side  
When I'll get to the dark world ?  
Who's gonna dress me tonight  
Who's gonna taste the wine  
To celebrate the last day of my life ?

Oh my love you do not know  
That I'm feeling cold  
And I hear my name being called  
By some Devil or God  
I do not know

Who's gonna tell what I've done  
Who's gonna show them my plan  
To one day become a good girl  
Who's gonna spend all my money  
Who's gonna marry  
With my stunning  
Lovely honey  
With my dead dress ?

Oh my love you do not know  
That I'm feeling cold  
And I hear my name being called  
By some Devil or God  
I do not know

Who's gonna turn on the light  
Who's gonna break up this fight ?  
I need to rest in a bright world.
