I'm captured, I'm constrained  
I'm in love with Your name  
I'm undone and I'm insane  
Only You can satisfy

Oh, amazing love, oh, amazing love I've found  
Oh, amazing God, oh, amazing God come down

I'm surrounded, and I am safe  
I'm bound by cords of grace  
I'm broken but I am strong  
Only You can satisfy

Oh, amazing love, oh, amazing love I've found  
Oh, amazing God, oh, amazing God come down

I'm convinced and I'm sure  
I'm abandoned solely for

Oh, this amazing love, oh, this amazing love  
Oh, amazing love that I've found

Oh, amazing God, oh, amazing God  
Oh, amazing God come down, come down

Oh, amazing love, oh, amazing love  
Oh, amazing love come down
