I have to believe  
That He sees my darkness  
I have to believe  
He knows my pain  
I have to lift up  
My hands to worship  
Worship His name

I have to declare  
That He is my refuge  
I have to deny  
That I am alone  
I have to lift up  
My eyes to the mountain  
It's where my help comes from

Oh yeah  
He said that He's forever faithful  
He said that He's forever true  
He said that He can move mountains  
If He can move mountains  
He can move my mountain  
He can move your mountain, too

Oh, I have to stand tall  
When the wind blows me over  
I have to stand strong  
When I'm weak and afraid  
I have to grab hold  
Ahold of the garments  
The garments of praise

I know, I know, I know  
Cause He said that He's forever faithful  
And He said that He's forever true  
He said that He can move mountains  
If He can move mountains  
He can move my mountain  
He can move your mountain, too

I have to sing praise  
When the hour is midnight

He unlocks these chains  
That bind up my soul  
My sin and my shame  
He has forgiven and made me whole

Oh yeah, yeah, yeah, yeah  
Cause He said that He's forever faithful  
And He said that He's forever true  
He said that He can move mountains  
He said that He can move mountains  
He said that He can move mountains  
If He can move mountains  
He can move my mountain  
He can move your mountain, too

I have to believe  
I have to believe  
He's got everything under control  
I have to believe  
Lord, I believe  
Help my unbelief  
I have to believe in You  
I have to believe
