All the birds of a feather  
Do what they love most of all  
We are the best at rhythm and laughter  
That's why we love carnival

All so clear we can sing to  
Sun and beaches they call  
Dance to the music, passion and love  
Show us the best you can do

Everyone here is on fire  
Get up and join in the fun  
Dance with a stranger, romance and danger  
Magic could happen for real, in Rio  
All by it self (it self)  
You can't see it coming  
You can't find it anywhere else (anywhere else)  
It's real, in Rio  
Know something else (something else)  
You can feel it happen  
You can feel it all by yourself

All the birds of a feather  
Do what they love most of all  
Moon and the stars, strumming guitars  
That's why we love carnival

Loving our life in the jungle  
Everything's wild and free  
Never alone, 'cause this is our home  
Magic can happen for real, in Rio  
All by it self (by it self)  
You can't see it coming  
You can't find it anywhere else

I'm a kako wero kinga kinga kinga kinga  
Birds like me, 'cause I'm a hot winga (there's your hota  
winga aha)

Here everybody loves samba (I like the Samba)  
Rhythm you feel in you heart (I'm the Samba master)

Beauty and love, what more could you want  
Everything can be for real, in Rio  
Here's something else (something else)  
You just feel it happening  
You won't find it anywhere else
