Travel with your mind, Pour a dose of time  
Back with us in time and share our history  
Get down to the roots, Seize up all your fruits  
Never be told of what you may have seen

Be queens with differet shades of love  
Be queens, Forget the ones you're shown  
Be queens, Each with a life plan of her own  
Of her own, yeah

Nefertiti, Cleopatra and the Queen of Sheba,  
And the Queen of Sheba  
Nefertiti, Cleopatra and the Queen of Sheba,  
And the Queen of Sheba  
Nefertiti, Cleopatra and the Queen of Sheba,  
And the Queen of Sheba  
Nefertiti, Cleopatra and the Queen of Sheba,  
And the Queen of Sheba

African Queens, Africa  
African Queens, Africa  
African Queens, Africa  
African Queens, Africa

Now we're getting hot, Gone too far to stop  
What about the faces on the movie screen?  
Dress them up in pearls, Give their hair a whirl  
Tryin', but they'll never pass to be the Queen

Be queens with different shades of love  
Be queens, Forget the one you're shown  
Be queens, Each with a life plan of her own  
Of her own, yeah

Nefertiti, Cleopatra and the Queen of Sheba,  
And the Queen of Sheba  
Nefertiti, Cleopatra and the Queen of Sheba,  
And the Queen of Sheba  
Nefertiti, Cleopatra and the Queen of Sheba,  
And the Queen of Sheba  
Nefertiti, Cleopatra and the Queen of Sheba,  
And the Queen of Sheba

African Queens, Africa  
African Queens, Africa  
African Queens, Africa  
African Queens, Africa
