[Chorus:]

if it's all night
it's alright with me, baby (baby)
if it feels good (feels good)
then you should do me, baby (baby)
(x2)

I'm hot, I'm ready, I'm full of fire
I got a love that's gonna take you higher
I wanna take you into my paradise
and make love 'till the morning light

you and me got a love going strong
you coming on
in my arms is where you wanna be
fill you up with my ecstasy

[Chorus (ad-lib) x2]

you know I really wanna see you tonight
wrap you up in my love in flight
take you places you've never been
baby, tell me where and when

you and me got a love going strong
you coming on
in my arms is where you wanna be
fill you up with my ecstasy

[Chorus (ad-lib) x2]

(in your arms I wanna be)
(fill you up with my ecstasy)
(in your arms I wanna be)
(fill you up with my ecstasy)

take me, take me
baby, baby
tell me that you care
show me, show me
hold me, hold me

I want you to take me there
(in your arms) I wanna be
(fill you up)
(if it's all night, it's all right)

[BREAK]

[Repeat Chorus (ad-lib) 'til fade]
