You got a bad reputation  
Ooh ooh  
Ooh, ooh, bad reputation  
Ooh ooh

You got a bad reputation  
Ooh ooh  
Ooh, ooh, bad reputation

You got a bad reputation  
Ooh ooh  
Ooh ooh

You got a bad reputation  
all around the town, mmm  
You got a bad reputation  
all around the town  
And I cry (and I cry)  
And I cry (and I cry)  
And I cry (and I cry)  
Lord, tell me why  
You got a bad reputation for doing me wrong

You got a bad reputation (Bad reputation)  
Gonna put you down, well, yeah  
You got a bad reputation  
I'm gonna put you down, well, well, well  
And I cry (and I cry)  
And I cry (and I cry)  
And I cry (and I cry)  
Lord, tell me why  
You got a bad reputation for doing me wrong

Bad reputation, ooh ooh ooh  
Bad reputation  
Bad reputation, ooh ooh ooh

Bad reputation  
Ooh ooh

Ooh, ooh, bad reputation  
Ooh ooh

Ohhhhhh whoa-ohhhhhh-ohhhhh  
You were the man of my dreams  
But you didn't care, so it seems  
(You got a bad reputation)  
I tried to ignore what my friends tell me  
(Ooh ooh)  
But you did me wrong  
I can't understand it  
I try to please you, I thought I need you  
I thought you love me, but you didn't care  
But you didn't care-----

Bad reputation  
Bad reputation

And I cry (and I cry)  
And I cry (and I cry)  
And I cry (and I cry)  
Lord knows I've tried  
You got a bad reputation for doing me wrong

Bad reputation (Bad reputation)  
Why did you treat me so bad?  
Well, you got a bad reputation  
Sometimes you make me so mad  
And I cry (and I cry)  
And I cry (and I cry)  
And I cry (and I cry)  
Lord, tell me why  
You got a bad reputation for doing me wrong

Bad reputation, ooh ooh ooh  
Bad reputation  
Bad reputation, ooh ooh ooh

Bad reputation, ooh ooh ooh  
Bad reputation  
Bad reputation, ooh ooh ooh
