Bluebirds over the mountain

Sea gulls over the sea

Bluebirds over the mountain

Bring my baby back to me

Boy and girl they fell in love

Each was like the heavens above

He looked in her eyes of blue

She vowed to him that she'd be true

Bluebirds over the mountain

Sea gulls over the sea

Bluebirds over the mountain

Bring my baby back to me

I miss you, oh can't you see?

You're the only girl for me

Soon you're gone

And I'm all alone

Come on, baby

Come back home

Bluebirds over the mountain

Sea gulls over the sea

Bluebirds over the mountain

Bring my baby back to me

Well-well-well

Bring my baby back to me

Well-well-well
Bring my baby back to me

FADES-

Well-well-well
Bring my baby back to me.
