I'm a woman with imagination  
love flowing out of me  
I'm a woman with a love sensation  
I need a man to set me free  
find me a man full of passion  
who his heart is made of gold  
I'm a woman whose imagination  
and dreams want to unfold

I long to be held by the man that I see  
when I close my eyes,  
I want you here with me  
calling me, fantasy  
fantasy (oh ohh), calling me (calling me)  
fantasy, calling me  
fantasy (it's just my fantasy), calling me (ohh)  
fantasy (calling me), calling me

give me a man with the live vibration  
to bring out all the best to me  
the kind of man whose imagination  
caresses endlessly  
the man I need he's so awaiting  
and he'll stepped out my dreams  
I'm a woman whose imagination  
becomes reality

I long to be loved by the man that I see  
when I close my eyes,  
I want you here with me  
calling me, fantasy  
fantasy (calling me, calling me), calling me (fantasy)  
fantasy, calling me (calling me--)  
fantasy, calling me (hey, hey)  
fantasy (fantasy), calling me

[Break]

calling me, fantasy  
fantasy, calling me (calling me)  
fantasy (calling me), calling me (uh)

fantasy, calling me  
fantasy, calling me
