'Cause... 'cause... 'cause... 'cause...
I'm good in love, I'm good in love
Oh baby, baby, why don't you try me?
Good in love, so good in love
Oh baby, baby, you can't deny me

Come [come, come, come, come]
Body language is spoken here [Hey hey hey, hey hey
hey]
Oh, come [come, come, come, come]
Feel the fire that's raging here [Hey hey hey, hey hey
hey]
You have the right to the very best [Hey hey hey, hey
hey hey]
I am a winner [I'm ready, I'm ready]
Make my body quiver

I'm good in love, I'm good in love
Oh baby, baby, why don't you try me?
God in love, so good in love
Oh baby, baby, you can't deny me

Love [love, love, love love]
Don't you wanna come stay with me?
[Hey hey hey, hey hey hey]
Oh, love [love, love, love, love]
It's fulfilling your fantasy [Hey hey hey, hey hey hey]
Tell me your secrets, I'll take you there
[Hey hey hey, hey hey hey]
I can deliver [Oh baby, oh baby]
Make my body quiver

I'm good in love, I'm good in love
Oh baby, baby, why don't you try me?
Good in love, so sood in love
Oh baby, baby, you can't deny me
