Hollywood, CA

Sessions by Bob Keane and Rene Hall

Richie - vocal & guitar, Buddy Clark - standup bass

Ray Johnson, (possibly piano)

Earl Palmer - drums, Rene Hall - electric guitar

And/or Danelectro 6 string bass.

Hy-Tone, Hy-Tone

All the fellas call my baby, Hy-Tone

Hy-Tone

They all think she's always acting, Hy-Tone

Hy-Tone

Sweet sixteen, doesn't wear jeans

Walks around the campus

Like a high school queen

That's why all the fellas think she's, Ty-Tone

But when I'm the only one around

She lets her hair down

She's just-a boppin', baby

An a crazy little clown

She may be shy

With the other guy

But when she's with me

Oh, my!

Let the other fellas call her Hy-Tone

Hy-Tone

They all think she's always acting Hy-Tone

Hy-tone

'Cause when we're alone

She's all of my own

And that's why I love, Hy-Tone

But when I'm the only one around

She lets her hair down
She's just-a boppin', baby
An a crazy little clown

She may be shy
With the other guy
But when she's with me
Oh, my!

Let the other fellas call her Hy-Tone
Hy-Tone
They all think she's always acting Hy-Tone
Hy-Tone
'Cause when we're alone
She's all of my own
And that's why I love, Hy-Tone

'Cause when we're alone
She's all of my own
And that's why I love, Hy-Tone.
