I feel good, I feel good
I feel good, I feel disco good
I feel good, I feel good
I feel good, I feel disco good

I feel good
When he's guiding me with his hands
I feel good
He is music, I am the dance
I feel good
With the feeling that begs for more
I feel good
Making love out here on the floor

I feel good, I feel good
I feel good, I feel disco good
I feel good, I feel good
I feel good, I feel disco good

I feel disco good, let's do it, baby
I feel disco good, can you dig it?
I feel disco good, let's do it, baby
I feel disco good, can you dig it, baby?
(X2)

I feel good, I feel good
I feel good, I feel disco good
I feel good, I feel good
I feel good, I feel disco good

I feel good
Love is turning me inside out
I feel good
He's the best thing, he leaves no doubt
I feel good
Let this feeling just fall on me
I feel good
Let the music take all of me

Oh... I feel good, oh... I feel good
I feel good, I feel disco good
I feel good, I feel good

I feel good, I feel disco good

I feel disco good, let's do it, baby
I feel disco good, can you dig it?
I feel disco good, let's do it, baby
I feel disco good, can you dig it, baby?
(X2)

I feel good, I feel good
I feel good, I feel disco good
I feel good, I feel good
I feel good, I feel disco good

I feel good
When he's guiding me with his hands
I feel good
He is music, I am the dance
I feel good
With the feeling that begs for more
I feel good
Making love out here on the floor

I feel good, I feel good
I feel good, I feel disco good
I feel good, I feel good
I feel good, I feel disco good

I feel disco good, let's do it, baby
I feel disco good, can you dig it?
I feel disco good, let's do it, baby
I feel disco good, can you dig it, baby?
(Repeat til fade)
