Hey, hey, hey  
Hey, hey, hey  
Hey, hey, hey

Hey, hey, hey  
Hey, hey, hey  
Hey, hey, hey

I don't want to be a movie star  
If it means I have to be without you  
I don't need to own a fancy car  
They can't prove on either things that you do  
But there is one thing I really want to be  
One thing I know will make my life complete

I wanna be yours  
I want to be yours  
I wanna be, I want to be yours  
I wanna be yours (I want to be yours)  
I want to be yours  
I wanna be, I want to be yours

I don't want to be a rich man  
If it means I have to be without you  
I don't need to own a house or land  
They can't prove on either things that you do  
There is one thing I really want to be  
One thing I know will make my life complete

I wanna be yours  
I want to be yours  
I wanna be, I want to be yours  
I wanna be yours (I want to be yours)  
I want to be yours (I wanna be yours)  
I wanna be, I want to be yours (let me)

I wanna be yours (hey, hey, hey)  
I want to be yours (I wanna be yours)  
I wanna be, I want to be yours  
I wanna be yours (hey, hey, hey)  
I want to be yours (I wanna be yours)  
I wanna be, I want to be yours

There are many things  
That we can desire  
The riches that brings, that gives  
Will never inspire  
This burning love I have for you  
Is surely makes me want you too  
Let me be yours, yeah  
I wanna be, I want to be yours (let me)  
I wanna be yours (I want to be yours)  
I want to be yours  
I wanna be, I want to be yours

I don't want to be a beauty queen  
If it means I have to be without you  
I don't need to make a party scene  
It can't prove on either things that you do  
There is one thing I really want to be  
One thing I know will make my life complete

I wanna be yours  
I want to be yours  
I wanna be, I want to be yours  
I wanna be yours (I want to be yours)  
I want to be yours (I wanna be yours)  
I wanna be, I want to be yours, yeah

This burning love I have for you  
Is surely makes me want you too  
Let me be yours, yeah  
I wanna be, I want to be yours  
I wanna be yours (hey, hey, hey)  
I want to be yours (baby, let me be yours)  
I wanna be, I want to be yours, yeah

I wanna be yours (I want to be yours)  
I want to be yours (I wanna be yours)  
I wanna be, I want to be yours (baby, let me be yours)  
I wanna be yours (hey, hey, hey)  
I want to be yours (I wanna be yours)  
I wanna be, I want to be yours
