Oh baby, you're a sweet thing  
You're the apple of my eye, you're a dream come true  
Gonna give you all my loving  
'Cause nobody in the whole world  
Makes me feel the way you do

I love you so now  
And I wanna keep your love  
Won't let you go now  
You mean the world to me, yeah  
Trust in me, baby, I'll never let you down

I'll do my best for you, baby  
You've got the love I need  
Long as you say that you need me  
My love is guaranteed (I'll do my best)  
I'll do my best for you, baby  
Show you a love so true  
Long as you say you'll never leave me  
I'll do my best for you (yes, I will)

Boy, your love is such a treasure  
As you really give me pleasure when you hold me tight  
I pledge all my love forever  
You respect me as a lady  
And you always treat me right

I'll never hurt you  
I don't wanna lose your love  
Never desert you  
I'll be a fool to leave you  
Trust in my loving, I'll never, ever let you down  
I'll do my be-est

I'll do my best for you, baby (you've got the love)  
You've got the love I need (long as you say)  
Long as you say that you need me  
My love is guaranteed (I'll do my be-est)  
I'll do my best for you, baby (I'll show you love)  
Show you a love so true, I'll show you love (yeah, yeah)  
Long as you say you'll never leave me (I'll do my be-est)

I'll do my best for you

[Instrumental interlude]

You've got the love

I'll do my best for you, baby (do my best for you, baby)

You've got the love I need, you've got the love

(You've got the love)

Long as you say that you need me (say that you need me)

My love is guaranteed

I love you so now

And I wanna keep your love

Won't let you go now

You mean the world to me, yeah-eah

Trust in me, baby, I'll never let you down, oh, no-o

I'll do my best for you, baby (I'll do my be-est)

You've got the love I need, you've got the love

Long as you say that you need me (say that you need me)

My love is guaranteed (my love is guaranteed)

I'll do my best for you, baby (I'll do my be-est)

Show you a love so true, I'll show you love

Long as you say you'll never leave me

(Baby, keep on lovin' me)

I'll do my best for you (I'll do my best for you)

[Fades]
