Ah, ah, ah
Ah, ah, ah, ah
Ah, ah, ah
Ah, ah, ah, ah
Ah, ah, ah
Ah, ah, ah, ah, ah, ah
(2x)

When he comes, it's not for long
So you play a pretty song
Hope that he can dig the melody
He holds you close, his heart beats fast
You had the key, you think at last
There he's gone
You let life in the past

It's a man's world, try to understand
It's a man's world, we have the best time
There's no need to frown
There's no need to be brought down

It's a man's world, this is what's been said
It's a man's world, sisters, don't you dread
There's no need to frown
There's no need to be brought down

Ah, ah, ah
Ah, ah, ah, ah
Ah, ah, ah
Ah, ah, ah, ah
Ah, ah, ah
Ah, ah, ah, ah, ah, ah
(2x)

Listen, girls, here's what you'll do
Put him out when you are through
Make him wish he never have met you
Don't you fret when he's unkind
Paint your toes, pay him no mind
This will help his anger to unwind

[Chorus]

Mmm-mmm, ohhh
Oh, ohhh, oh, woo, woo, oh
Oh, oh, oh, ohhhhh
No, no, no, no, no, no, no, no
Whoa, whoa, oh, ohhh, ohhhhhhh
Whoa, whoa-ohhhh, ohhhhhh
It's a man's world

When he comes, it's not for long
So you play a pretty song
Hope that he can dig the melody
He holds you close, his heart beats fast
You had the key, you think at last
There he's gone
You let life in the past

[Chorus]

It's a man's world
Whoa, whoa, whoa, whoa
It's a man's world
Ohh, whoa, whoa, ohhhhhh
Yeah, ohhhhhhhh, ohhhh

It's a man's world
Yea-eah, yeah, yeah
It's a man's world
Oo-whoa, yea-eah, yeah, yeah, yeah
There's no need to frown
There's no need to be brought down
