all alone in the twilight hour
victim of a love affair
great upon by your power
I'm hypnotized
as if by magic has drawn into (drawn into)
your circle of desire
you work your spell, you work it well
I couldn't leave you if I wanted to

[Chorus:]

I wanna be lost in your love
I wanna be
I wanna be lost in your love
I wanna be, I wanna be lost

you weave a web and there's no escape
I feel your presence all around me
you set a spark that lights the flame
I'm mystified
the fire's hot, the passion burns
I'm gonna let your love surround me
you work your spell, you work it well
baby, you're so glad that you found me

[Chorus]

ohh, ohhh ohh ohhh
lost in your love, oh baby, oh oh oh

I wanna be lost in love
I wanna be lost in love, I wanna be
I wanna be lost in love
I wanna be lost in love, I wanna be

[Chorus]

I wanna be lost in your love (lost in your love)
I wanna be lost, baby, in your love
lost (wanna be lost, lost in your love)
oooh, let's get lost in your love
I wanna get lost in your love

I wanna be lost in love
I wanna be
I wanna be lost in love
I wanna be...
