You sexy thing, you turn me on  
Keep rockin' steady all night lo-ong  
You sexy thing, you turn me on  
Keep rockin' steady all night lo-ong  
You sexy thing, you turn me on  
Keep rockin' steady all night lo-ong  
You sexy thing, you turn me on  
Keep rockin' steady all night lo-ong

You sexy thing, you turn me on  
Keep rockin' steady all night lo-ong  
You sexy thing, you turn me on  
Keep rockin' steady all night lo-ong

Gimme, gimme what I want  
Gimme, gimme what you got  
Gimme, gimme what I want  
Gimme, gimme what you got

Do-do-do-do, do-do, do-do-doo

You sexy thing, you turn me on  
Keep rockin' steady all night lo-ong  
You sexy thing, you turn me on  
Keep rockin' steady all night lo-ong  
You sexy thing, you turn me on  
Keep rockin' steady all night lo-ong  
You sexy thing, you turn me on  
Keep rockin' steady all night lo-ong
