hey man, let me tell you the truth
you see, since you cut me all loose
I try hard to get over you
I try, but it just seems no use
for you only make me feel weak
for you all my loving I will keep
hey man, you are the one that I need

hey man, I'm not telling no lies
I know you don't like me to cry
you say tears make you turn away
oh, please, just this one time I pray
that you see me weep all my tears
for not that's something that I fear
hey man, you are the one that I need

sexy, sexy, sexy, sexy man [Oh!]

hey man, it has been a long time
since I had a place of your smile
hey man, won't you meet me today
I swear any place that you say
I'll come and I'll be there on time
oh please, please don't make me lose my mind
hey man, you are the one that I need
