Sheba, Sheba
Sheba, Sheba

Solomon, Solomon, Solomon
You'll take it and run
Solomon, Solomon, Solomon
I'll sing you your song

Solomon, Solomon, Solomon
You'll take it and run...

I walked to you, My God of the moon
And made you my God of the sun, yeah
You start to dream of a fabulous love
And take me as a fabulous wife

Your love, I could ever see
What I couldn't see didn't matter to me, no
You show what you wanna be and I am your Queen
And I cherish the speaking people

Solomon, Solomon, Solomon
I'll sing you your song
Solomon, Solomon, Solomon
You'll take it and run
