

rings]  
Or something has gone wrong, it seems [Something's wrong]  
Where are the men? [Where are the men?]  
I felt this love inside of me [Good, good love]  
So much good love inside of me [Good, good love]  
I got good lovin' for a man [I got good lovin' for a man]

Where are the men?  
I need a man, somebody tell me please  
I got to have a man to satisfy me  
Where are the men?  
Where are the men? Somebody help me  
I need a man to hug and squeeze me  
Where are the men?  
I... I need a man. Oh, I'm desperate for a man  
Where are the men?  
Where are the men? Where are the men?  
Oooh-----  
[Ooh woo woo woo woo woo, Woo woo, Oh!]  
Ooh!

It seems today that men have gone stray in a different kind of way  
Where are the men?  
Don't they know that we'll follow where they go  
Even though we know the way  
Where are the men?  
I can truly say, it takes a man today to deal with women any kinda way  
Where are the men?  
'Cause we have some minds who having all the good time  
Unless we wanna go his way  
Where are the men?  
Where are the men? Somebody tell me please  
Where are the men?  
Where are the men? Somebody tell me please  
Where are the men? Somebody tell me please

#### INSTRUMENTAL

Where did I go wrong?  
I asked all day long  
Where have all the good men gone?

Where are the men? [Where are the men?]  
They brought me flowers every day  
[They brought me flowers every day]  
I guess the phone just rings and rings [The phone just rings]

Or something has gone wrong, it seems  
[Something's wrong]  
Where are the men? [Where are the men?]  
I felt this love inside of me [I felt this love inside of me]  
So much good love inside of me [So much good love  
inside of me]  
I got good lovin' for a man

Where are the men? [Ohhhhhhhh, where?]  
They brought me flowers every day [Sweet, sweet love]  
I guess the phone just rings and rings [The phone just  
ringin', ring--]  
Or something has gone wrong, it seems [Ohhhhh,  
ohhh, oh]  
Where are the men? [Ohhhhhhhh, where?]  
I felt this love inside of me [Good, good love]  
So much good love inside of me  
I got good lovin' for a man---
