Jefferson was a lonely man sitting by the bay  
Watching all the seagulls as they fly away  
Wonder why I can't have a girl who loves me  
And hold her tight forever for eternity

(Pre-Chorus)

If I had a girl, I'd treasure her so  
Hold her in my arms and I wouldn't let go, Woah-oh-oh  
If I had this girl, I'd be a fine, fine fellow  
She'd be true to me and I'd be her Monticello

(Chorus)

Monticello, baby, ooh Monticello baby  
Hey everybody has a Monticello, baby  
Monticello baby, Monticello baby  
Hey everybody has a Monticello

Do do do do do do  
Do do do do do do  
(repeat)

If I had a dollar for each time I cried

A dime for every minute that I'm choked up inside  
I'd be a millionaire I'd be a real rich fellow  
It wouldn't mean a thing without my Monticello

(Pre-Chorus)

(Chorus)

I think about her and how she might be  
I think she's out there and she's waiting for me  
She would love me so, say he's a fine, fine fellow  
I'd be true to her, I'd be her Monticello

Do do do do doot  
Do do do do doot  
Do do do do doot  
(Repeat)

Monticello, baby, ooh Monticello baby  
Hey everybody's got a Monticello, baby

Monticello baby, Monticello baby  
Hey everybody's got a Monticello
