Drove to your house last night
And you ran into my arms
Tears filled your eyes
There was cause for alarm

I turn your folks off
But I turn you on
And I won't bring you home till dawn
If I bring you home at all

(Chorus)
This Girl Is Mine, and I love her oh-oh whoa
This Girl Is Mine, and I love her oh-oh whoa
This Girl Is Mine and the love we share
If they don't like it, ask me if I care

And in my arms, and in my arms
We will rejoice, and we'll be home
We'll share our love, so far away
From all the pain that we have known

So fancy free, so fancy free
As we walk along the beach
So much in love, so much in love
So far away from all harm's reach
Never have I felt a love so right,
My heart's in overdrive tonight

(Repeat Chorus)

And when I fight for love I win,
My lady's honor I defend
Should anyone try to take us down
They'll hit my fists, and hit the ground

(Repeat Chorus)

This Girl Is Mine, and I love her oh-oh whoa
This Girl Is Mine, and I love her oh-oh whoa
This Girl Is Mine, and I love her oh-oh whoa
This Girl Is Mine, and I love her oh-oh whoa
This Girl Is Mine and the love we share

If they don't like it, ask me if I care

My heart's in overdrive tonight, (this girl is, this girl is)

My heart's in overdrive tonight, (this girl is, this girl is)

This Girl Is, This Girl Is
