Watch the knife penetrate your body,
My urge to kill risesÂ...
My bloodlust desecrates your cadaver,
Feed my hungerÂ...
Cranial tissue exposed to the bone,
Adrenaline pumpingÂ...
Â...BloodshedÂ...

Erotic-Masturbating as I dissect vital organs
Necroerotic- My endless bloodfetishism

Misanthropic I chew on your womb,
Sucking your pitÂ...
Excrements are gushing like puss,
Boiled with nipplesÂ...
Impotence disrupting coÃtal flow,
Failiour imminentÂ...
Â...BloodshedÂ...

My golden shower flushing your insides,
53 raped & molested, IÂll continue my spree
MurderÂ...Act Of Supremacy
