

Ritual Carnage "Death Metal"

Visit "[Death Metal](#)" on MotoLyrics.com

Cast in fire tempered by the flame evil demons lie
within the blade
Mighty swords razor sharpened steel death metal
weapons forged to kill

[Chorus:]
Death metal [4x]

The battlecry headforth men of steel death metal has
the power at will
Lightning flashes sound a thunderous roar cold metal
ripping flesh down to the core

[Chorus]

Death metal satans armies wield seek within the
powers of the steel
Cast in fire tempered by the flame evil demons lie
within the blade

Death... slain by the sons of steel
Metal... cuts the air
