Tell me why I try.  
Show me who I've moved.  
I'm penning thoughts that speak to empty rooms.

It's easy to forget.  
The things I feel which are important.  
Are only in my little world.  
And the things I say.  
Even if I open a vein.  
Won't make much of a dent.

Can't change the world.

(chorus)

Oh, a song should go like that.  
Oh, pick up a pen and kick back.  
That's not how it is.  
Can't you see?  
Something had to happen to move me.  
An ounce of my life and a lot of time.  
Are all I can offer college ruled lines.

Can't change the world

(chorus)
