Taking advice from a 4 a.m. delirium just ain't right.
All the problems of a Monday night become Friday's
dream.

As Friday's always gleam.
As out of reach as it may seem.
Not about to let your thoughts get in the way of this.
Even if it takes my breath away.

(chorus)

Throw it back if it's handed to you.
Nothing that easy is worth fighting for.
Throw it back if it's handed to you.
Nothing that easy is worth fighting for

Try not to try, because yesterdays burn will be
tomorrows lesson learned.
At least that's what I've heard.
And while no ones around your can let your head down.
And Monday will pass to Friday without a sound.
Not about to let your words get in the way of this.
Even if it leads my mind astray.

(chorus)

How many things can you hate?
What else will you sacrifice today?
What you say and what you mean.
Are two completely different things.
Not about to let your thoughts get in the way of this.
Even if it takes my breath away

(chorus)
